End Application:

Aircraft assembly; model code for the v-22 aircraft

Design Type:

Threaded

Product Name:

Cap-protective flared fitting (metal)

Material:

Aluminum alloy 3003

Material Specification:

Qq-a-250/2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
