**Overall Width:**

0.560 inches

**Material Thickness:**

0.031 inches

**Material Diameter:**

0.031 inches

**Center To Center Distance Between Loop And Mounting Hole:**

1.100 inches

**Loop Length:**

2.200 inches

**Largest Loop Width:**

0.970 inches

**Smallest Loop Width:**

0.970 inches

**Product Name:**

Clamp assembly, filter

**Material:**

Steel comp 304

**Material Specification:**

Qq-s-766 cond a federal specification single material response

**Surface Treatment:**

Passivate

**Style Designator:**

Multiple loop

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
