**Overall Length:**

3.000 inches

**Outside Diameter:**

1.000 inches

**End Application:**

Misc dss mechanical part

**Mounting Method:**

Groove

**Criticality Code Justification:**

Feat

**Product Name:**

Lanyard handle

**Special Features:**

Military critical, export control; solid round beech wood, contured with center groove

**Material:**

Wood handle

**Style Designator:**

Tubular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0
