Overall Length:

3.000 inches

Outside Diameter:

1.000 inches

End Application:

Misc dss mechanical part

Mounting Method:

Groove

Criticality Code Justification:

Feat

Product Name:

Lanyard handle

Special Features:

Military critical, export control; solid round beech wood, contured with center groove

Material:

Wood handle

Style Designator:

Tubular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
