End Application:

End item nsn: 2350-01-509-3953 carrier, cargo

Product Name:

Shelf, support, vertical

Material:

Aluminum alloy 5086 or aluminum alloy 5052 or aluminum alloy 5083

Material Specification:

Astm b209, h32 assn standard 1st material response or astm b928, h116 assn standard 1st material response or astm b209, h32 assn standard 2nd material response or astm b209, h34 assn standard 2nd material response or astm b928, h116 assn standard 3rd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
