Overall Length:

1.500 inches

Overall Height:

0.310 inches

Overall Width:

0.750 inches

End Application:

Kc-135 aircraft

Product Name:

Block, wedge

Material:

Steel comp 304

Material Specification:

Qq-s-763 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
