Mounting Hole Quantity:

2

Overall Thickness:

0.125 inches

End Application:

Hydraulic-steer damper and down lock swivel, outer body

Mounting Method:

Unthreaded mounting holes

Product Name:

Inavy-retainer assembly

Material:

Aluminum alloy 2024

Surface Treatment:

Anodize

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A514c0
