Width:

128.5 millimeters

Thickness:

0.250 inches

Length:

174.5 millimeters

End Application:

2320-01-354-4528

Material:

Steel

Material Specification:

Astm a36/a36m assn standard single material response

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
