First Leg Length:

2.500 inches

Second Leg Length:

1.500 inches

End Application:

Truck, cargo (2320-01-530-3843)

First Leg Thickness:

0.750 inches

Second Leg Thickness:

0.500 inches

First Leg Angle:

90.0 degrees

Product Name:

Angle, panel, mtg

Material Specification:

Astm b221/b221m assn standard single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
