Overall Length:

1.980 inches

Outside Diameter:

0.372 inches

Special Features:

Keyway on o.D. Center .037 deep

Material:

Steel comp 316

Material Specification:

Astm a276 federal specification single material response

Style Designator:

Tubular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
