**Overall Height:**

4.625 inches

**Inside Width:**

2.500 inches

**End Application:**

819697 (53711) maintenance and vhte installation

**Material And Location:**

Aabsteel, corrosion resistant

**Product Name:**

Stainless steel set (rig, swivel)

**Err Default:**

Err default

**Special Features:**

Mounting plate length is 5.000 in (nom); mounting plate width is 4.000 in (nom); 4 slots in each corner of mounting plate for 0.375 in bolts; mounting plate thickness is 0.250 in (nom)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A25600
