Overall Diameter:

0.930 inches

End Application:

759210 (53711) port manifold motor

Design Type:

Threaded

Inside Diameter Length:

1.000 inches

Product Name:

Cap

Special Features:

To fit thread size 18mm; inside diameter 0.699 inch; red in color

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
