View Online at https://aerobasegroup.com/nsn/5340-01-560-7596

Overall Diameter:
0.930 inches

End Application:
759210 (53711) port manifold motor

Design Type:
Threaded

Product Name:

1.000 inches

Inside Diameter Length:

Cap

Special Features:

To fit thread size 18mm; inside diameter 0.699 inch; red in color

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A539k0
