**Width:**

1.500 inches

**Thickness:**

0.250 inches

**Length:**

2.500 inches

**Mounting Hole Type:**

Unthreaded

**End Application:**

Mrap

**Product Name:**

Tab

**Special Features:**

Mounting plate is circular at one end at 0.150 inch diameter, and tapered from 0.50 inch to 0.33 inch over 1.00 inch distance at other end; 2 mounting holes are 0.260 inches in diameter and located centered on circular end at 0.750 inches from end; mounting plate has circular shaped cut out of 0.780 inch diameter removed from center of circular end

**Material:**

Steel

**Material Specification:**

Astm a36 assn standard single material response

**Shape:**

Special

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A530d0
