**Overall Length:**

5.000 inches

**End Application:**

An/gsc-7 (v) 1

**Handle Height:**

0.750 inches

**Mounting Facility Quantity:**

2

**Mounting Method:**

Threaded hole and unthreaded hole

**Product Name:**

Strut plunger assist handle

**Special Features:**

Made from .75 x.50 rectangular bar stock 6061-t6 or equivalent; next higher assembly: p/n 1010018 assembly joint for hub mounting plate

**Material:**

Aluminum alloy 6061

**Surface Treatment:**

Paint

**Style Designator:**

Lever

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0
