Overall Length:

5.000 inches

End Application:

An/gsc-7 (v) 1

Handle Height:

0.750 inches

Mounting Facility Quantity:

2

Mounting Method:

Threaded hole and unthreaded hole

Product Name:

Strut plunger assist handle

Special Features:

Made from .75 x.50 rectangular bar stock 6061-t6 or equivalent; next higher assembly: p/n 1010018 assembly joint for hub mounting plate

Material:

Aluminum alloy 6061

Surface Treatment:

Paint

Style Designator:

Lever

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
