Overall Length:
5.000 inches
End Application:
An/gsc-7 (v) 1
Handle Height:
0.750 inches
Mounting Facility Quantity:
2
Mounting Method:
Threaded hole and unthreaded hole
Product Name:
Strut plunger assist handle
Special Features:
Made from .75 x.50 rectangular bar stock 6061-t6 or equivalent; next higher assembly: p/n 1010018 assembly joint for hub mounting plate
Material:
Aluminum alloy 6061
Surface Treatment:
Paint
Style Designator:
Lever
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A250a0
