Thread Direction:

Right-hand

Thread Length:

1.500 inches shank

Overall Length:

2.438 inches

End Application:

2350-01-538-8373; knight, armored

Unthreaded End Outside Diameter:

1.313 inches

Thread Size:

0.500 inches

Product Name:

Ptfe lined stainless steel ball joint rod ends

Special Features:

Liner made of polytetrafluoroethylene

Material:

Steel comp 303

Style Designator:

External thread, solid end

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A264a0
