End Application:

Fire protection on aircraft a400m military air transport

Product Name:

Transducer bracket

Special Features:

Used on meggitt safety systems component a400m acoc actuator part number 906400-01; component maintenance manual 75-20-01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
