Overall Length:

6.750 inches

Overall Height:

3.620 inches

Overall Width:

2.250 inches

Special Features:

Footmap loop must withstand 1500/1650 lb proof load approximately perpendicular to mounting surface; handle length 3.750 inches; u-shaped bracket with a 1.12 radius

Material:

Aluminum alloy 5086 or aluminum alloy 5083

Material Specification:

Qq-a-250/7 federal specification single material response or qq-a-250/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
