Overall Length:

4.000 inches

Overall Width:

1.250 inches

Design Type:

Straight

Product Name:

Stop, crowbar

Special Features:

Thickness 0.38 inches; optional material, aluminum, 5083-h321, specification qq-a-250/6 except 24, 000 psi min ys and 40, 000 psi min ts
0.375 thick or aluminum, 5086-hill, specification qq-a-200/5 or aluminum, 5083-hill, specification qq-a-200/4 0.375thk

Material:

Aluminum

Material Specification:

Qq-a-250/7 federal specification single material response or qq-a-250/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
