Overall Length:

8.000 inches

Overall Height:

2.000 inches

Overall Width:

6.000 inches

Mounting Hole Diameter:

Between 0.280 inches and 0.300 inches

Mounting Hole Quantity:

4

End Application:

2350-01-538-8373 knight, aromred

Product Name:

Bracket, rifle stock

Special Features:

Sea foam green color

Material:

Aluminum alloy

Material Specification:

Sae ams-qq-a-250/8 or astm b209 or ams-qq-a-s50/7 assn standard single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
