Cross Sectional Shape:
Circular recess
Inside Diameter:
35.0 millimeters
Width:
46.0 millimeters
Edge Shape:
Oval, one hole
Length:
83.0 millimeters
Distance From First Hole Centerline To End Along Length:
10.0 millimeters
End Application:
2320-01-549-8565, truck cargo, 5ton
Product Name:
Frap cover
Frap cover
Frap cover Special Features:
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug.
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug. Material:
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug. Material: Aluminum alloy 5052
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug. Material: Aluminum alloy 5052 Shelf Life:
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug. Material: Aluminum alloy 5052 Shelf Life: N/a
Frap cover Special Features: Made up of: 12505443-101, plate, and 1250443-102, plug. Material: Aluminum alloy 5052 Shelf Life: N/a Unit Of Measure:
