Overall Length:

15.000 inches

End Application:

2320-01-549-8565; truck, cargo

Product Name:

Brace, middle, digitization rack

Material:

Steel

Material Specification:

Astm a1008/a1008m, sheet, cold rolled. .1196 inch (11ga) thk assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
