Overall Diameter:

Between 1.495 inches and 1.497 inches

End Application:

2350-01-096-9356 carrier, cargo

Product Name:

Plug, transfer case

Special Features:

Height 0.470-0.560 inch min-max

Material:

Aluminum

Material Specification:

Qq-a-250/7 federal specification single material response or qq-a-250/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53910
