Overall Length:

20.175 inches

End Application:

5340-01-566-9333

Product Name:

Chainguide, intermediate, external

Special Features:

Matl is made from 3141as203 extrusion (6063-t6); finish is hard anodize per mil-a-8625, ty iii, cl 2; surface finish 125 microinch per ansi b46.1; refer to drawing for additional details

Color:

Gray

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
