**Overall Length:**

20.175 inches

**End Application:**

5340-01-566-9333

**Product Name:**

Chainguide, intermediate, external

**Special Features:**

Matl is made from 3141as203 extrusion (6063-t6); finish is hard anodize per mil-a-8625, ty iii, cl 2; surface finish 125 microinch per ansi b46.1; refer to drawing for additional details

**Color:**

Gray

**Material:**

Aluminum

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
