Diameter:

4.000 inches

End Application:

Nimrod 2000

Product Name:

Loop clamp

Special Features:

Uses bae standard mpa43002-400

Material:

Stainless steel band

Material Specification:

A-286 cres assn standard all material responses band

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
