Overall Width:
0.750 inches
Product Name:
Retainer, curtain
Material:
Stainless steel
Material Specification:
Qq-s-763 federal specification single material response
Surface Treatment Specification:
Mil-f-14072 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
Mil-std (military Standard):
Mil-f-14072 spec.
