Overall Width:

0.750 inches

Product Name:

Retainer, curtain

Material:

Stainless steel

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-f-14072 spec.
