Overall Length:

39.500 inches

Mounting Hole Diameter:

Between 0.374 inches and 0.381 inches

Mounting Hole Quantity:

12

Product Name:

Bracket, mounting curtain

Material:

Aluminum

Material Specification:

Astm b 209 assn standard single material response

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-f-14072 spec.
