Overall Length:
39.500 inches
Mounting Hole Diameter:
Between 0.374 inches and 0.381 inches
Mounting Hole Quantity:
12
Product Name:
Bracket, mounting curtain
Material:
Aluminum
Material Specification:
Astm b 209 assn standard single material response
Surface Treatment Specification:
Mil-f-14072 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
Mil-std (military Standard):
Mil-f-14072 spec.
