Overall Length:

8.700 inches

Overall Width:

3.500 inches

End Application:

2320-01-437-6957 armored security vehicle

Product Name:

Bracket, heater, lower

Material:

Aluminum alloy 5086

Material Specification:

Qq-a-200/5 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
