Overall Length:

3.250 inches

Overall Height:

4.884 inches

Overall Width:

0.060 inches

End Application:

Bracket, harness

Special Features:

Bracket harness assembly, engine t/c

Material:

Steel comp 321

Material Specification:

Ams 5510 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
