**Overall Length:**

3.250 inches

**Overall Height:**

4.884 inches

**Overall Width:**

0.060 inches

**End Application:**

Bracket, harness

**Special Features:**

Bracket harness assembly, engine t/c

**Material:**

Steel comp 321

**Material Specification:**

Ams 5510 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
