End Application:

4920-01-537-0940, accessory set, aircraft and 1680-01-550-9383, connector assembly

Design Type:

Friction

Product Name:

Universal plug cover for arinc series 400

Special Features:

Cover is rectangular with length 1.620 in , width 1.000 in and thickness 0.120 in ; has nylon attached rope 10.000 in length, diameter 0.156 in ; non-conductive

Material:

Rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A539I0
