Thread Length:

0.375 inches hole perpendicular to axis

End Application:

6625-01-513-6372; program set, application

Product Name:

Hex standoff, threaded spacer

Special Features:

Hex .086-56x.38 unc-2b; material, brass; finish, zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
