Center To Center Distance Between Mounting Facilities Parallel To Length:

250.0 millimeters

Mounting Facility Quantity:

2

Mounting Method:

Unthreaded hole

Product Name:

Carry handle explorer2/land 19

Special Features:

Brass eyelet 19c each end; polypropylene body material

Color:

Black body

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
