End Application:

Lsb pour rafale

Closed Enddiameter:

1.480 inches

Product Name:

Conductive caps

Special Features:

Material: conductive polyethylene; color: black; applicable specs: nas-831c, as-90376; to fit thread size: 1.250 inches; mil-prf-81705d

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539u0

Mil-std (military Standard):

Mil-prf-81705d spec.
