Overall Length:

4.000 inches

Overall Height:

0.063 inches

Overall Width:

3.000 inches

End Application:

F-16 aircraft

Product Name:

Support

Special Features:

Nha 16h1700; dim. Are stocksize matl; verify heat treat per ndts 1500

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4-t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
