Overall Length:

4.000 inches

Overall Width:

1.000 inches

End Application:

Nsn 2320-10-528-6294 truck, tank

Hole Quantity:

2

Product Name:

Striker, non-personnel door

Thickness:

0.250 inches

Special Features:

Hole diameter 0.375

Material Specification:

Astm b669 assn standard single material response

Style Designator:

Surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10600
