**Overall Length:**

10.000 inches

**Overall Height:**

2.800 inches

**Overall Width:**

2.000 inches

**Material Thickness:**

0.380 inches

**End Application:**

2320-01-437-6957 armored security vehicle (asv)

**Product Name:**

Bracket, heater, upper

**Special Features:**

Consist of: 136773-1 bracket, heater (qty.1) x ms21209-c4-15 insert, screw (qty.2)

**Material:**

Aluminum alloy 5086

**Material Specification:**

Qq-a-250/5 (5086-h111) federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
