End Application:

F-15 aircraft

Criticality Code Justification:

Feat

Product Name:

Clip retaining

Special Features:

Item is not csi but has critical features such as heat treatment, surface finish, or material type and special insp. Req.S such as magnetic particle insp. Or fluorescent penetrant inspection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
