**Overall Length:**

14.300 inches

**Overall Width:**

0.180 inches

**Product Name:**

Polyester coated, stainless steel tie, aisi 316, standard, 14.300 inches length, minmum loop tensile strength: 100.000 pounds

**Special Features:**

Black

**Material:**

Steel, aisi 316 and plastic, polyester

**Material:**

Steel comp 316 and plastic polyester

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T372-a
