Overall Length:

14.300 inches

Overall Width:

0.180 inches

Product Name:

Polyester coated, stainless steel tie, aisi 316, standard, 14.300 inches length, minmum loop tensile strength: 100.000 pounds

Special Features:

Black

Material:

Steel, aisi 316 and plastic, polyester

Material:

Steel comp 316 and plastic polyester

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-a
