Material Thickness:

0.040 inches

Body Width:

1.250 inches

End Application:

Test set interial p/n 2056as953-01

Reversible Feature:

Included

Pin Removability:

Removable

Material And Location:

Aluminum alloy

Product Name:

Hinge, front door

Style Designator:

Butt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
