Tongue Hole Type:

Round, unthreaded

Cushioning Environmental Protection:

Ozone resistant and flame resistant and oil resistant

Overall Length:

2.563 inches

Overall Width:

0.500 inches

Diameter:

0.281 inches

Material Thickness:

0.031 inches

End Application:

6115-01-572-3944 power plant, utility

Product Name:

Sure-grip cushioned loop clamp

Special Features:

Temperature range is -40 degrees to 212 degrees f

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
