**Tongue Hole Type:**

Round, unthreaded

**Cushioning Environmental Protection:**

Ozone resistant and flame resistant and oil resistant

**Overall Length:**

2.563 inches

**Overall Width:**

0.500 inches

**Diameter:**

0.281 inches

**Material Thickness:**

0.031 inches

**End Application:**

6115-01-572-3944 power plant, utility

**Product Name:**

Sure-grip cushioned loop clamp

**Special Features:**

Temperature range is -40 degrees to 212 degrees f

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
