Tongue Hole Type:
Round, unthreaded
Cushioning Environmental Protection:
Ozone resistant and flame resistant and oil resistant
Overall Length:
2.563 inches
Overall Width:
0.500 inches
Diameter:
0.281 inches
Material Thickness:
0.031 inches
End Application:
6115-01-572-3944 power plant, utility
Product Name:
Sure-grip cushioned loop clamp
Special Features:
Temperature range is -40 degrees to 212 degrees f
Material:
Stainless steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A12700
