Width:

42.9 millimeters

End Application:

LAVC-2A-2;2-3550

Extended Length:

784.1 millimeters

Mounting Method:

Mounting slots and unthreaded hole

Side For Which Designed:

Left hand

Closed Length:

406.4 millimeters

Height:

25.0 millimeters

Product Name:

Solid bearing 3 section slide

Special Features:

Automatic release non-pivoting slide; left side; drawing distribution statement c; export controlled

Material:

Aluminum alloy and steel

Style Designator:

3 - member

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
